After the safety training the employee needs to take the quiz (5 questions). At least 4 answers need to be correct!

EMPLOYEE REGISTRATION

The screenshot shows the GoContractor app interface. The main content area displays a training module titled "IMEC - Extended Contractor Training" with a question: "How do you enter the IMEC -Leuven site as a contractor?". Below the question, there is a list of options, with "Entrance Steengroevenlaan 1" selected and marked with a green checkmark. A "Finish" button is visible in the bottom right corner of the main content area.

A "Course Rating" pop-up window is overlaid on the screen. It features a five-star rating system with all five stars filled with yellow. Below the stars, there is a text input field labeled "Write a review" with a character count of "0/250". At the bottom of the pop-up, there are two buttons: "Cancel" and "Send". A blue arrow points from the "Send" button to the explanatory text on the right.

After filling the responses, a pop-up screen appears on which you need to click on "Send". No need to write a review.
